## Karen Kiley-Miller

Growing up in Michigan on a farm Karen started riding at the age of four. Throughout the years she continued taking lessons in many different disciplines including Reining, Western Pleasure, English Pleasure, Jumping and Showmanship. She then started showing AQHA and Open Shows. In 1995 she breed her mare and had her first foal. Falling in love with training her first foal, young horses became her passion. She then sought out improving her skills working to master her craft.

In 1998 Karen moved to Germany. This opportunity allowed her to work with many exceptional horse people. Karen got hands on training with running a 6 stud breeding program and managing a 60 horse boarding facility.

She also started a successful training and lesson program. Here she was given the chance to ride some very impressive dressage and jumping horses but still having the desire for the western sport she bought a Quarter Horse and continued to show DQHA and NSAB shows. In 2006 she moved to Colorado. She then interned for a top notch reining trainer.

Buying her ranch in 2010. She opened her boarding and training business. Karens' skills are combined to start, train and show outstanding horses in a variety of disciplines. She strives to exercise the highest degree of horsemanship in every aspect at her stables and in her training program.
